December 1, 2011

Dear Randy,

Thank you and the Kiwanis Club so much for your \$500.00 donation to Stephens Elementary School. As you well know, in these tough economic times, it is incredibly generous of your organization to take time to help our children. Currently we have a poverty rate near 65 %, therefore your donation is timely and greatly appreciated.

This donation will bring many smiles to our children as this will buy warm clothes for many. Last year, when Mrs. Lysa Gordon spoke with our children about what they needed for Christmas, they asked for jackets, long sleeve shirts, warm socks and even undergarments. Obviously, these children need our help and the Kiwanis Club has made it possible (once again). Please accept my heartfelt thanks and may God bless the Kiwanis Club members for their efforts.

Regards,

Kim Smith
Principal
Stephens Elementary School
